

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

IN RE: CATHODE RAY TUBE (CRT)
ANTITRUST LITIGATION

MDL No. 1917

Case No. C-07-5944 JST

This Order Relates To:

**ORDER SCHEDULING ORAL
ARGUMENT REGARDING JOINDERS
TO MOTIONS FOR SUMMARY
JUDGMENT**

ALL DIRECT ACTION PLAINTIFFS

The Court is already scheduled to hold oral argument on April 19, 2016 at 2:00 p.m. regarding a number of issues. ECF No. 4452. The Court now adds to that list Defendants' motions to join various motions for summary judgment. DAPs oppose some of Defendants' joinders, in part, because they were filed after the deadline for dispositive motions. See, e.g., ECF No. 3883. The parties should be prepared to address the practical effect, if any, of the Court's decisions on the motions for joinder. If different joinders or oppositions have different effects, the parties should so advise the Court. Counsel are requested to designate one or two individuals to speak for each side.

IT IS SO ORDERED.

Dated: April 4, 2016

JON S. TIGAR
United States District Judge
